

'Delivering Clinical Research in the NHS'

**Thursday 28 January 2010
ExCeL Conference Centre, London**

This event will showcase some of the work being delivered nationally by the NIHR Clinical Research Network. Find out more about:

- *the national ambition for clinical research*
- *streamlining the regulatory and governance environment*
- *effective patient and public involvement*
- *support for researchers*
- *how the Network is meeting the needs of the pharmaceutical and medical technologies industries.*

This event is aimed at individuals from the NHS, academia, pharmaceutical and medical technologies companies, clinical trials units, funding organisations, charities and Networks and at patients, carers and the public.

Speakers include:

Professor Dame Sally C Davies

Director General of Research and Development, Department of Health

Mike Farrar, CBE

Chief Executive, NHS North West

Simon Denegri

Chief Executive, Association of Medical Research Charities
